

## SUBMITTING PAPERS

*CIRIEC-España, revista de economía pública, social y cooperativa* is a fourmonthly Latin-American scientific review of interdisciplinary nature on plural economy. Its research field ranges over enterprises and entities which aim is to serve to the general benefit and, in particular, social economy -mostly composed of co-operatives, labour societies, mutuals, foundations and associations- and public economy, giving priority in this case to labor, social cohesion and regional development policies, ecological transition and achievement of the Sustainable Development Goals. The Editorial Board of the review will examine all articles.

Papers will be evaluated by external referees. The articles' scientific level and their contribution to the information exchange between the research field and that of those working on Public Administration and on social economy (third sector) will be some of the selective criteria. Articles may be accepted, revised to a different degree or refused. The authors of the articles accepted must renounce to the copyright of its Spanish version and authorize the review to publish their articles on its Web page as well as reproduced them in different scientific data base, as established by law. The authors must also state in writing to the Journal that the manuscript submitted is entirely new and original and is not currently under review by any other publication.

### Writing procedures:

1. All articles must be written in Spanish or in English.
2. Manuscripts must be submitted online through CIRIEC-España's OJS site:  
<https://ojs.uv.es/index.php/ciriecespana/about/submissions#onlineSubmissions>. A copy of the manuscript must also be sent to the following e-mail address: [ammb@uv.es](mailto:ammb@uv.es).
3. First page must include:
  - The article's title in Spanish and in English. If the title is long, it should include a principal title of no more than 40 characters and a secondary title.
  - The name/s and address/es of the institutions to which authors belong, ORCID number of each author and the E-mail address to which the Editing Board should answer.
  - Between 200 and 250 words abstract in Spanish and in English.
  - Between four and eight keywords or descriptors in Spanish and in English.

See: <https://www.aeaweb.org/jel/guide/jel.php>
4. The article text, typewritten in one space must have an extension between 15 and 25 pages (maximum 100,000 characters) including tables, graphs, notes and bibliography. Both conditions must be accomplished. Article must be sent in Word (.doc) format.
- 5.- **Cover letter:** Authors have to send a cover letter to the editor of the Journal via e-mail ([ammb@uv.es](mailto:ammb@uv.es)) justifying the interest of the publication of the article.
- 6.- **Citation rules:** The citation will be made according to the APA system. Have the citated documents DOI number, then it has to be included in the reference, specially those of the three last years.

### How to cite an article. Example:

SALA, M., TORRES, T. & FARRÉ, M. (2018): "Cooperatives' demography in times of crisis", *CIRIEC-España, Revista de Economía Pública, Social y Cooperativa*, 93, 51-84, DOI: 10.7203/CIRIEC-E.93.11042.

**Publication process:** Once the article has been accepted, an extended abstract of 1000 to 1500 words (maximum 21,000 characters including spaces) in length, of the appropriate type, must be submitted entirely in English for articles in Spanish, or entirely in Spanish for articles in English. The extended abstracts will be published at the end of the journal. The extended abstract must include the following sections: Objectives, Design / Methodology / Approach; Results / Research Limitations / Implications, Practical Conclusions and Originality.

**Economic Contribution:** According to what was decided in the assembly of members of CIRIEC-Spain held on 3/6/2016, concerning the publication of articles in 'CIRIEC-España, Revista de Economía Pública, Social y Cooperativa', authors who do not have the status of members of the Association must pay 90 euros in concept of financing the edition of the Journal. This contribution will be reduced to 50% for the first article published by researchers under the age of 30 years old, in order to support young researchers. This amount will be paid by each author of the article once the article has passed the external evaluation phase. CIRIEC's individual members do not have to pay for publishing in the Journal.
